INDEPENDENT AUDITORS' REPORT

Kaufman County Community
Supervision and Corrections Department
Kaufman, Texas

Report on the Financial Statements

We have audited the accompanying combined statement of financial position as of August 31, 2015, the combined statement of revenue, expenditures and changes in fund balance, the combining statement of revenues, expenditures, and changes in fund balance – Community Corrections Program Funds, and the individual statements of revenue, expenditures and changes in fund balance – budget, actual, and variance for the year ended August 31, 2015, and the related notes to the financial statements, which collectively comprise Kaufman County Community Supervision and Corrections Department (CSCD) basic financial statements, and have issued our report thereon dated February 8, 2016.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the provisions of the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is significant and appropriate to provide a basis for our opinions.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the combined statement of financial position as of August 31, 2015, and the combined statement of revenue, expenditures and changes in fund balance and the individual statements of revenue, expenditures and changes in fund balance – budget, actual, and variance for the year ended August 31, 2015, and the related notes to the financial statements of Kaufman County Community Supervision and Corrections Department, in accordance with the financial reporting provisions of the TDCJ-CJAD as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of the financial reporting provisions of the TDCJ-CJAD, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the TDCJ-CJAD. Our opinion is not modified with respect to that matter.

Emphasis Matter

As discussed in Note 1, the financial statements present the operations of the Kaufman County Community Supervision and Corrections Department only, and are not intended to present fairly the financial position of Kaufman County, Texas and the results of its operations in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Kaufman County Community Supervision and Corrections Department's basic financial statements. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements. The Schedules of Differences between the Audit Report and CSCD Reports Sent to TDCJ-CJAD are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 8, 2016, on our consideration of the Kaufman County Community Supervision and Corrections Department's internal control over financial reporting and on our tests of its compliance with certain provisions of laws and regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Kaufman County Community Supervision and Corrections Department's internal control over financial reporting and compliance.

Restriction of Use

This report is intended solely for the information and use of the management of Kaufman County Community Supervision and Corrections Department, others within the organization, and the Texas Department of Criminal Justice - Community Justice Assistance Division and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The accompanying financial statements include the revenue of the Kaufman County Community Supervision and Corrections Department (CSCD) related to the receipt of funds administered by the Community Justice Assistance Division of the Texas Department of Criminal Justice from State Appropriations for the Basic Supervision Fund, Community Corrections Program funds, Diversion Program Grant Funds, local fees collected for the use of the CSCD, and the expenditure of those funds.

The Kaufman County Community Supervision and Corrections Department, a special purpose district of State government, was organized to provide certain adult probation services to judicial districts.

Basis of Accounting

Since the Department receives funding from State government, it must comply with requirements of the State. Therefore, the financial statements were prepared using the basis of accounting prescribed by the TDCJ-CJAD, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Basis of accounting refers to the time at which revenues and expenditures are recognized in the accounts and reported in the statements. The accounts of Kaufman County CSCD are organized on the basis of fund accounting, each of which is considered a separate accounting entity that comprise its assets, liabilities, fund balance, revenues, and expenditures. The operations of each fund are accounted for with a separate set of self-balancing accounts. Resources are allocated to and accounted for in a fund based upon the source of the funds and the purposes for which they may be spent and the means by which the spending activities are controlled for the specific activities in accordance with laws, regulations, or other restrictions. Revenues and expenditures are accounted for using either the cash basis of accounting or the modified accrual basis of accounting until the last quarter when the modified accrual basis of accounting must be used.

The modified accrual basis of accounting is followed in that revenues are recorded when susceptible to accrual; i.e., earned, measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities for the current period. Revenues received by October 31, 2015 for financial activity performed by August 31, 2015, are considered available. Also purchases for which the commitment has been established by August 31, 2015, are considered liabilities regardless of whether possession of these goods has been received by August 31, 2015, provided that the liability purchase is received and is paid for by October 31, 2015. Exception to this method of accounting is the recording of refunds to the State as reductions of Fund Balance.

Funds of the Kaufman County CSCD are grouped into the agency fund type for the purpose of operation on the Kaufman County, Texas accounting system. Accounting agency funds are accounts established for deposit and disbursement of funds which are not controlled through the Kaufman County, Texas budget process and are held in purely a custodial capacity.

Budgets (Accounting and Legal Compliance)

The budgets governing the funding to the programs are prepared at the beginning of each biennium and approved by the district judges and the criminal court-at-law judges with jurisdiction over the department in an open meeting and by the Texas Department of Criminal Justice - Community Justice Assistance Division. Only budget adjustment requests, at year end, received by September 30, 2015 will be reviewed and approved/disapproved by TDCJ-CJAD. TDCJ-CJAD will not accept any budget adjustments after September 30, 2015 for the previous fiscal year. Only budget adjustments approved by TDCJ-CJAD are referred to in performing the financial audit.

Encumbrance Accounting

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is utilized. All encumbrances not liquidated by October 31, 2015 became part of the subsequent year's budget.

Compensated Absences

The County's permanent, fulltime employees with 1 – 8 years of service accrue 6.67 hours of vacation per month; those with 9 – 16 years of service accrue 10 hours per month; and those with service of 17 years or greater accrue 13.33 hours per month.

The County's permanent, fulltime employees accrue sick leave at the rate of 8 hours per month to a maximum 720 hours (90 days). Sick leave is paid to current employees if the employees are absent from work due to illness, injury or other situations requiring medical attention. An employee who leaves the County's employment for any reason other than retirement receives no compensation for accrued sick leave. Retiring employees who have at least 20 years of service are entitled to payment for accrued sick leave. A liability for vacation and sick leave is reported in these financial statements only if they have matured. The amount of compensated absences at August 31, 2015 is \$87,559. A liability for vacation and sick leave is not recorded in these financial statements.

2. FUNDING SOURCES – STATE AID

Basic Supervision

This State funding is a per capita allocation based on statistics from the previous full calendar year. The per capita formula includes calendar year misdemeanor placements, direct felony and felony pre-trial cases. Funding is first allocated to misdemeanor placements for 182 days. The remaining funding is allocated to felons under community supervision and pretrial supervision based on the CSCD's share of the state total population of direct and pretrial felons. Basic Supervision is distributed only to CSCDs.

Community Corrections (CC) Program Funds

This appropriation line item is allocation based. The funding is based on two equally assigned factors: the percentage of the state’s population residing in the counties served by the Department and the percentage of all felony defendants in the state under direct community supervision by the Department. CSCDs are the only entities eligible for Community Corrections funds.

Diversion Program (DP) Funds

This discretionary appropriation line item funding is awarded on competitive basis. The priorities for distribution are determined biennially. All requests are reviewed by TDCJ-CJAD staff, approved by management, and then presented to the Judicial Advisory Council.

Dedicated Salary Funding: Funds were appropriated by the 81st Legislature specifically for community supervision officers and direct care staff salary increases of 3.5% of the salaries as of August 31, 2009 for FY 2010 and another 3.5% increase of the August 31, 2009 salaries for FY 2011. To date, the dedicated salary funding amounts are the same as in FY 2011. Appropriations of the Dedicated Salary are allocated by TDCJ-CJAD through the DP line item but are budgeted and reported by CSCDs as state aid under Basic Supervision.

Collection accounts must be transferred to the CSCD district account within the time frames listed in Local Government Code 113.022. All CSCD funds must be in the county treasury and must be disbursed by the County Treasurer.

9. COMMITMENTS AND CONTINGENCIES

The Department is contingently liable in respect to lawsuits and other claims in the ordinary course of its operations. The potential settlement (if any) of such contingencies under the budgetary process would require appropriation of revenues yet to be realized and in the opinion of Department management would not materially affect the financial position of the Department at August 31, 2015.

10. PRIOR PERIOD ADJUSTMENTS AND REFUNDS

The Department had no prior period adjustments or refunds that require disclosure.

11. SUBSEQUENT EVENTS

The Department has no subsequent events that require disclosure.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Kaufman County Community
Supervision and Corrections Department
Waco, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Kaufman County Community Supervision and Corrections Department, as of and for the year ended August 31, 2015, and the related notes to the financial statements, which collectively comprise the Kaufman County Community Supervision and Corrections Department's financial statements, and have issued our report thereon dated February 8, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Kaufman County Community Supervision and Corrections Department's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Kaufman County Community Supervision and Corrections Department's internal control. Accordingly, we do not express an opinion on the effectiveness of Kaufman County Community Supervision and Corrections Department's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Kaufman County Community Supervision and Corrections Department's financial statements are free of material misstatement, we performed tests of its compliance with certain provision of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and are described in the accompanying Schedule of Findings and Responses as item 2015-1.

Kaufman County CSCD's Response to Finding

Kaufman County CSCD's response to findings identified in our audit are described in the accompanying Schedule of Findings and Responses. Kaufman County CSCD's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Kaufman County Community Supervision and Corrections Department's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Kaufman County Community Supervision and Corrections Department's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the Kaufman County Community Supervision and Corrections Department, others within the organization, and the Texas Department of Criminal Justice – Community Justice Assistance Division and is not intended to be and should not be used by anyone other than these specified parties.
