Indicate whether the registrant is: an Individual; a Partnership; an Estate; a Real Estate Investment Trust; a Company; a Corporation or other

Definitions of business types:

Individual Business usually unincorporated and owned and controlled exclusively by one person. Such a business is commonly designated a “sole proprietorship.”

General Partnership A partnership in which the parties carry on all their trade and business, whatever may be, for the joint benefit and profit of all parties concerned, whether the capital stock be limited or not, or the contributions thereto be equal or unequal. One in which all the partners share the profits and losses as well as the management equally, though their capital contributions may vary.

Limited Partnership A partnership consisting of one or more general partners, jointly and severally responsible as ordinary partners, and by whom the business is conducted, and one or more special partners, contributing in cash payments as specific sum as capital to the common stock, and who are not liable for the debts of the partnership beyond the fund so contributed.

Other Sole Practitioner, Joint Venture, Joint Stock company, Real Estate Investment trust or Corporation.

IF the registrant is:

Individual: The Name of Business and Name of Owner sections should be individual’s full name, title, if applicable, and residence address.

Partnership: The Name of Business section should list the venture or partnership names, and the partnership office address, Name of Owners should include the full name of each joint venturer or general partner, their title (see below) and the residence address, if it is an individual, or its office address, if it is not an individual.

Estate: The Name of Business section should be the name of the estate, and the estate’s office address, if any. Name of Owners should include the full name of each representative of the estate, their title (see below), residence address, if any individual, or it’s office address, if not an individual.

Real Estate Investment Trust: The Name of Business section should be the name of the trust and the address of the trust. Name of Owners should include the full name of each trustee manager, their title (see below), residence address, if an individual, or its office address, if not an individual.

Company: (Other than a real estate investment trust or a corporation). The Name of Business section should be the name of the company or corporation and business address. Name of Owners should include the state, county or other jurisdiction under the laws of which it was organized, incorporated, or associated, and its office address.

Corporation: The Name of Business section should be the name of the corporation as stated in its articles of incorporation or association or comparable document, (the state, county or other jurisdiction under the laws of which it was incorporated or associated and address of its registered or similar office in that state, county or jurisdiction, if required to maintain a registered office in the state, the address of such registered office and the name of its registered agent at such address, and the address of its principal office if not the same as that of its registered office in this state; if the corporation is not required to or does not maintain a registered in this state, its office address in the state and if the corporation is not incorporated, organized or associated under the laws of this state, the address of its place of business in this state and its office address elsewhere, if any.

Title Types:

Individual, General Partner, Joint Venture, Representative, Trustee Manager, Company/Corporate Office, Attorney in Fact and Registered Agent and /or Indicate registered Office Address. Etc.
