

KAUFMAN COUNTY, TEXAS

Development Services Floodplain Permit Application

Floodplain permits are required for any development within a FEMA designated Special Flood Hazard Area (SFHA). Development is any man-made change to improve or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation, or drilling operations or storage of equipment/materials.

A permit fee will apply, and will be determined by project scope.

(Include: Warranty Deed to show ownership, site plan, plans, survey showing flood zone delineation)
